

**TCOC Minutes**  
WSDOT Kent Maintenance Facility  
**April 10, 2010**

**Ernest Stahn**, WSDOT, called the meeting to order @ 12:26 p.m.

Introductions around the room. Minutes of October 13, 2009, were approved as presented.

The Jan. 1, 2010 scheduled meeting was not held due to lack of agenda items.

Lorri Soule, Cemex, raised the issue concerning the quality of new flaggers arriving at the job site. Considerable discussion followed. The discussion centered around the skill set employers desire in new flaggers and how to achieve the skill set.

Tony Carol, Kitsap County and John Blair expressed interest in becoming a voting member representing counties on the TCOC. Ernst thought we had a vacancy. Semilla Sanchez was also mentioned.

Flagging **Memorandum of Understanding**: Further changes were recommend on the section for new instructor certification

**Roundtable:** Possible need for flagger book revision  
Construction safety day set for May 6  
L&I fatality narrative  
Workzone setup does not require certified flaggers but must workers must be trained

Meeting adjourned at 3:40 p.m. The **next meeting** scheduled for **Tuesday, July 13, 2010**, at WSDOT Kent Maintenance Facility

Respectfully submitted,

Glen Puterbaugh, Secretary

After the meeting I checked past minutes. Semilla Sanchez, Whatcom County, was approved as a voting member, representing cities and counties, at the July 17, 2008 meeting.
